New Year brings New Healthcare Provider at Graceville Health Center

Graceville, MN - December 22, 2008. Graceville Health Center announced today that June Zimmerman, RN-CNP has submitted her resignation from full-time status at Graceville Health Center, effective January 2009. June has worked at Graceville Health Center since May 2002 as a Family Nurse Practitioner with a special interest in diabetes and women's health.

"Although this will be a loss for Graceville Health Center, we are wishing June the best in her future endeavors", stated Todd Howell, CEO and Administrator for Graceville Health Center.

Starting January 19, 2009, Jessica Kleindl, DNP, FNP-C, RN-CNP, will be providing healthcare services at Graceville Health Center. Jessica obtained her Doctorate from North Dakota State University, her Bachelor of Science degree from Moorhead State University and her Associate's Degree from Sisseton-Wahpeton Community College. Jessica has a Doctorate in Nursing and is a Certified Family Nurse Practitioner. She will see patients at Graceville Health Center Clinic on Tuesdays, Wednesdays, and Thursdays and will be at Chokio Medical Center on Mondays and Fridays.

"I look forward to treating the patients at Graceville Health Center and Chokio Medical Center to the best of my ability," noted Jessica. "All of my patients will receive the best care possible and I plan on making everyone feel like family."

Jessica has always had strong ties to Graceville Health Center. She was born at Holy Trinity Hospital, as were her children. She's spent most of her life in the Graceville area and is now raising her own family here as well. Jessica and her husband, Kyle, have four children: Mitchell (12), Riley (10), Emillyanne (7), and Charlie (5). They currently reside west of Barry. Jessica is looking forward to working in and giving back to the community she grew up in.

For more information or to schedule an appointment with Jessica, please contact the Graceville Health Center Clinic at 320-748-7243.
